Join the NEW EDGE peer group EDGE Rising Professionals

The Rising Professionals peer group is exclusively for EDGE Member organizations, mid-sized companies in Northeast Ohio who value developing their leaders, growing their company and improving Northeast Ohio. The purpose of this group is for rising talent at these organizations to gather together to share best practices on how to make a greater impact to their organization and community.

The purpose of this group is to:

- ✔ Engage emerging leaders and rising talent at your company who represent the largest generation to hit the workforce since Baby Boomers.
- ✔ Provide the setting and framework to encourage and foster professional networking.
- ✔ Create opportunities for learning and experience sharing in a safe space with Millennials at other growth-oriented, high-performance EDGE members.
- ✔ Increase their capacity to contribute to their organizations.
- ✔ Help your company attract and retain this rising talent and, in the process, build your bench strength.

Rising Professional Peer Group Benefits:

- ✔ Engage with young professionals at growth-oriented, high-performance companies in Northeast Ohio.
- ✔ Provide the setting and framework to encourage and foster professional networking and development.
- ✔ Develop and hone leadership skills by sharing best practices.
